GTO 32

DESCRIPTION:

VERSATILE WEEKENDER

320 GTO is both modern and sporty, but has a high level of comfort. Its performance hull is seaworthy, safe and easy to drive. The most notable feature is the versatility of the cockpit. Below decks it's clear that the 320 GTO should be comfortable in a role as weekender, not just a fast, handsome dayboat. With an extended sunpad on the foredeck and a dinette that converts into a sun-bathing space the options of lounging around are plentiful. With the flip of a backrest the opposed seating can become forward-facing benches for guests to use, when the boat is flying along at a potential cruising speed of 40 knots with the larger twin engines.
