Yacht Description

Clean design, harmonious lines, spacious and luxurious interiors. The Pardo 38 does not go unnoticed.

The hull of the Pardo 38, with its typical inverted bow, guarantees impeccable seaworthiness: no drop reaches the deck. Smooth maneuvering, fast glide offers an absolute maneuverability. The main features of the deck are the “walk around” that guarantees space, safety and ease in reaching the forward sunset area. The stern swimming platform offers a large area where seat with your friends, offering a comfortable access into the water. The Pardo 38 is the perfect combination of size, comfort and performances for day trips and to enter the most striking bays of La Maddalena Archipelago and the coves of the Costa Smeralda.

The wet bar facilities

A close-up, low-angle shot of a blue nameplate mounted on a boat's deck. The nameplate is rectangular and features the text 'PARRDO' in a large, white, serif font, with 'YACHTS' in a smaller, white, sans-serif font below it. The nameplate is set against a background of deep blue water with gentle ripples. The deck is made of light-colored wood, and a shadow is cast by the nameplate onto the deck surface to the right.
