Ferretti Custom line 97 launched in 2008, completely refitted between 2018 and 2020. She has 5 cabins with a total of 12 beds. The master cabin is on the main deck, with a large private bathroom, sofa and walk-in closet. On the lower deck, there are two double cabins and two twin cabins with pullman beds, all with private bathrooms.

The bright saloon has a large sofa and a big dining table. In the aft deck, there is a relaxation area with sofa, convertible into a sunbathing area, and a large outdoor table. At the bow, there is a large sunbathing area. The flybridge is one of the highlights of Ferretti and has a sundeck area with Jacuzzi, sun loungers and a large table with folding hard-top.

Thanks to the 4 Mitsubishi gyroscopic stabilizers the yacht is particularly stable. The crew consists of 5 people: captain, chef, 2 stewardesses and deckhand.
